Statement of Intent Statewide Trauma System

Legislator	Johnsrud	Amendment	39
Legislator 2		Pass or Fail	Pass
Legislator 3		Spending Cut	
Legislator 4		Withdrawn	
Staff contact	Larry	Package	

Agency Health and Family Services

Summary This motion provides one time funding of \$185,000 PR in 2001-02 and \$500,000 PR in 2002-03 and 2.0 PR two-year project positions, beginning in 2001-02, to fund the statewide trauma system required under 1997 Wisconsin Act 154. These positions would include a trauma registrar and an injury education coordinator.

15.197 (25), 146.56

This motion provides that confidential injury data collected under the system would be used for performance improvements in the trauma care system, and be limited only to confidential review.

Extends the sunset date for the Statewide Trauma Advisory Council from July 1, 2002 to July 1, 2004.

Eliminates statutory requirement that JFC approve the Department's report on the statewide trauma system under section 13.10 of the statutes prior to the Department submitting rules to develop and implement the system.

Fiscal Impact Provides 2.0 PR project positions and \$185,000 PR in 2001-02 and \$500,000 PR in 2002-03 for the following: (a) \$60,000 in 2001-02 and \$80,000 in 2002-03 for a trauma registrar; (b) \$60,000 in 2001-02 and \$80,000 in 2002-03 for an injury education coordinator; (c) \$40,000 in 2001-02 for a consultant to develop information systems for the trauma system; (d) \$25,000 in 2001-02 and \$50,000 in 2002-03 for meeting expenses for the regional advisory trauma councils; and (e) \$290,000 in 2002-03 for grants to regional advisory trauma councils.

The Department of Transportation will be required to make a grant to DHFS of these amounts from federal grant moneys DOT receives under the state and community highway safety grant program.

Request # 303

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 146.95 of the statutes is created to read:

146.95 Patient visitation. (1) **DEFINITIONS.** In this section:

(a) "Health care provider" has the meaning given in s. 155.01 (7)

(b) "Inpatient health care facility" has the meaning given in s. 252.14 (1) (d).

(c) "Treatment facility" has the meaning given in s. 51.01 (19).

(2) **PATIENT-DESIGNATED VISITORS.** (a) Any individual who is 18 years of age or older may identify to a health care provider at an inpatient health care facility at any time, either orally or in writing, those persons with whom the individual wishes to visit while the individual is a patient at the inpatient health care facility. Except as provided in par. (b), no inpatient health care facility may deny visitation during the inpatient health care facility's regular visiting hours to any person identified by the individual.

(b) Subject to s. 51.61 for a treatment facility, an inpatient health care facility may deny visitation with a patient to any person if any of the following applies:

1. The inpatient health care facility or a health care provider determines that the patient may not receive any visitors.

2. The inpatient health care facility or a health care provider determines that the presence of the person would endanger the health or safety of the patient.

3. The inpatient health care facility determines that the presence of the person would interfere with the primary operations of the inpatient health care facility.

4. The patient has subsequently expressed in writing to a health care provider at the inpatient health care facility that the patient no longer wishes to visit with the person. Unless subd. 2. applies, an inpatient health care facility may not under this subdivision deny visitation to the person based on a claim by someone other than a health care provider that the patient has orally expressed that the patient no longer wishes to visit with that person.

1997 Assembly Bill 638

Date of enactment: April 21, 1998

Date of publication: May 5, 1998

1997 WISCONSIN ACT 154

AN ACT to create 15.197 (25) and 146.56 of the statutes; **relating to:** creating a statewide trauma care system, granting rule-making authority and making an appropriation.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 15.197 (25) of the statutes is created to read:

15.197 (25) **TRAUMA ADVISORY COUNCIL.** (a) There is created in the department of health and family services a trauma advisory council. The trauma advisory council shall consist of the following members who have an interest and expertise in emergency medical services and who are appointed by the secretary of health and family services:

1. Four physicians who represent urban and rural areas.

2. Two registered nurses, as defined in s. 146.40 (1) (f).

3. Two prehospital emergency medical services providers, including one representative of a municipality.

4. Two representatives of a rural hospital.

5. Two representatives of an urban hospital.

6. One member of the emergency medical services board.

(b) In appointing the members under par. (a), the secretary of health and family services shall ensure that all geographic areas of the state are represented.

(c) This subsection does not apply beginning on July 1, 2001.

SECTION 2. 146.56 of the statutes is created to read:

146.56 **STATEWIDE TRAUMA CARE SYSTEM.** (1) Not later than July 1, 2001, the department shall develop and implement a statewide trauma care system. The department shall seek the advice of the statewide trauma advisory council under s. 15.197 (25) in developing and implementing the system.

(2) The department shall promulgate rules to develop and implement the system. The rules shall include a

method by which to classify all hospitals as to their respective emergency care capabilities. The classification rule shall be based on standards developed by the American College of Surgeons. Within 180 days after promulgation of the classification rule, and every 4 years thereafter, each hospital shall certify to the department the classification level of trauma care services that is provided by the hospital, based on the rule. The department may require a hospital to document the basis for its certification. The department may not direct a hospital to establish a certain level of certification.

SECTION 3. Nonstatutory provisions.

(1) STATEWIDE TRAUMA CARE SYSTEM; REPORT. The department of health and family services and the statewide trauma advisory council shall prepare a joint report on the development and implementation of a statewide trauma care system. The report shall make recommendations on issues that need to be resolved in developing and implementing the system, including minimum services in rendering patient care; transport protocols; area trauma advisory councils and plans; development of a method to classify hospitals as to their respective emergency care capabilities and methods to make the resulting information available for public use; improving the communications systems between hospitals and prehospital elements of the trauma care system; development of a statewide trauma registry, including a data system to measure the effectiveness of trauma care and to develop ways to promote ongoing quality improvement; triage; interfacility transfers; enhancing the training and educa-

tion of health care personnel involved in the provision of trauma care services; and monitoring adherence to rules. Not later than January 1, 2000, the department and the statewide trauma advisory council shall submit the report to the legislature in the manner provided under section 13.172 (2) of the statutes, to the joint committee on finance of the legislature as provided in subsection (2), to the governor and to the emergency medical services board.

(2) JOINT COMMITTEE ON FINANCE REVIEW. The department of health and family services shall submit the report under subsection (1) to the joint committee on finance of the legislature for its review under section 13.10 of the statutes. The department of health and family services may not submit the rules under section 146.56 (2) of the statutes, as created by this act, to the legislative council staff for review under section 227.15 of the statutes until the joint committee on finance approves the report under subsection (1).

SECTION 4. Appropriation changes.

(1) STATEWIDE TRAUMA CARE SYSTEM. In the schedule of the statutes, to the joint committee on finance of the legislature as provided in subsection (2) under section 20.005 (3) of the statutes for the appropriation to the department of health and family services under section 20.435 (1) (a) of the statutes, as affected by the acts of 1997, the dollar amount is increased by \$8,000 for fiscal year 1998-99 to fund the activities of the statewide trauma advisory council under section 15.197 (25) of the statutes, as created by this act.

1997 Assembly Bill 675

Date of enactment: April 21, 1998

Date of publication: May 5, 1998

1997 WISCONSIN ACT 155

AN ACT to amend 40.51 (8), 40.51 (8m), 60.23 (25), 66.184, 120.13 (2) (g), 185.981 (4t) and 185.983 (1) (intro.); and to create 111.91 (2) (o) and 632.85 of the statutes; relating to: coverage of, and prohibiting requiring prior authorization for, treatment of an emergency medical condition.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 40.51 (8) of the statutes, as affected by 1997 Wisconsin Act 27, section 1324m, is amended to read:

40.51 (8) Every health care coverage plan offered by the state under sub. (6) shall comply with ss. 631.89,

631.90, 631.93 (2), 632.72 (2), 632.746 (1) to (8) and (10), 632.747, 632.748, 632.85, 632.87 (3) to (5), 632.895 (5m) and (8) to (13) and 632.896.

SECTION 2. 40.51 (8m) of the statutes, as affected by 1997 Wisconsin Act 27, section 1325m, is amended to read:

40.51 (8m) Every health care coverage plan offered by the group insurance board under sub. (7) shall comply

Subject: FW: FW: LRB Draft: 01b1545/1 AM39--Statewide trauma system

Carolyn, here are the two changes. Thanks again!

Page 2, Line 11: I don't know if it's proper to try and modify this section, but the Trauma Advisory Committee recommended that the hospital classification review process by every 3 years (not 4 years as written), which would be consistent with the standard required by the recommended evaluation entity - the American College of Surgeons. The conflict in years will create more trouble than a review on the more regular schedule of 3 years will cause.

Page 3, Lines 14 & 15: The Budget Amendment summary (# 303) and the actual language don't match. It would appear the dates on lines 14 & 15 should be changed from 2002 to 2001 and from 2004 to 2003. Otherwise, this starts in the middle of the the upcoming biennium and ends in the middle of the next biennium.???

Thanks for the opportunity for input.

9 **“SECTION 2850ag.** 146.56 (1) of the statutes is amended to read:

1 146.56 (1) Not later than July 1, 2002, the department shall develop and
2 implement a statewide trauma care system. The department shall seek the advice
3 of the statewide trauma advisory council under s. 15.197 (25) in developing and
4 implementing the system, and, as part of the system, shall develop regional trauma
5 advisory councils.

6 **SECTION 2850ah.** 146.56 (2) of the statutes is amended to read:

7 146.56 (2) The department shall promulgate rules to develop and implement
8 the system. The rules shall include a method by which to classify all hospitals as to
9 their respective emergency care capabilities. The classification rule shall be based
10 on standards developed by the American College of Surgeons. Within 180 days after
11 promulgation of the classification rule, and every ^{strike} 4 years thereafter, each hospital
12 shall certify to the department the classification level of trauma care services that
13 is provided by the hospital, based on the rule. The department may require a hospital
14 to document the basis for its certification. The department may not direct a hospital
15 to establish a certain level of certification. Confidential injury data that is collected
16 under this subsection shall be used for confidential review relating to performance
17 improvements in the trauma care system, and may be used for no other purpose.”.
