**1. Small Business Issues**

- a) **Work Permit Automated System and Fee Increase (at the request of Rep. Stone)**

**\*Request #181\***

GMM  
The Governor's budget provides expenditure authority of \$162,500 in 2001-02 and \$325,000 in 2002-03 to fund development and maintenance of an automated child work permit system and to maintain existing services in the Division of Equal Rights. This funding would come through a \$2.50 increase in the child labor work permit or certificate of age fee, which is currently \$5.00, to \$7.50. The system would be used to issue work permits and certificates of age on-line and to maintain a central file of edited and issued work permits and certificates. The Joint Finance Committee deleted authority to use fee revenues for general operations and reduced the work permit fee to \$2.00, which would bring the total fee to \$7.00 (or \$0.50 less than the Governor's budget provided).

**Motion: Eliminate any increase in the work permit fee.  
(Savings - \$390,000PR)**

- b) ~~Liability for Incarceration Costs (at the request of Rep. Powers)~~

~~<http://www.legis.state.wi.us/2001/data/AB-308.pdf>~~

MGD  
~~Under a 100-year old state law, a person could be incarcerated for the failure to pay their debts as part of civil action brought on by a creditor. Under this law, a jailer could collect from the creditor, in advance, the costs associated with the incarceration of the debtor. Those costs could include any medical and hospital expenses. Furthermore, the law specifies that payment by the creditor must be made within 24 hours of the imprisonment of the debtor.~~

~~**Motion: Repeal this state statute.  
(No Fiscal Effect)**~~

- c) ~~Remodeling Contractor Member on Uniform Dwelling Code Council~~

~~**\*Not Original Request of Caucus\* (Pleva has language)**~~

RSM  
~~The Uniform Dwelling Code Council is a 17-member council that reviews the standards and rules for one and two-family dwelling construction. The council recommends a uniform dwelling code for adoption by the Department. Council membership includes representation from the interested parties including trade labor organizations, municipal building inspectors, contractors, manufacturers and associated building entities. The council does not included representation from the remodeling industry.~~

~~**Motion: Require the Department to add a member to the Uniform Dwelling Code Council representing remodeling contractors actively engaged in the remodeling one and two-family housing.  
(No Fiscal Effect)**~~
