Agency General Provisions

Summary This motion provides that if a state officer, agency, authority, or governmentally related corporation maintains an Internet site, the officer, agency, authority, or corporation may not use that site to obtain personally identifiable information from any person who visits that site without the consent of the person from whom the information is obtained. Under the bill, personally identifiable information means information that can be associated with a particular individual through one or more identifiers or other information or circumstances. Violators are subject to a forfeiture (civil penalty) of not more than \$500 for each violation.

JTK

These provisions are contained in AB 176, which passed the Assembly 97-0.

Under current law, the dentistry examining board (board) includes six dentist and three dental hygienist members and, on December 31, 2002, the number of dentist members is reduced to five and the number of dental hygienist members is reduced to one. This motion eliminates the reduction of members so that, on December 31, 2002, the board includes six dentist and three dental hygienist members.

MDK

These provisions are similar to AB 218 which passed the Assembly Committee on Health 16-0.

Fiscal Impact A fiscal estimate was not prepared for AB 176, and its fiscal effect appears minimal.

A fiscal estimate was also not prepared for AB 218.
