Location/Status: New motion

#### **F. Recycling Pilot Program for Effective Program Compliance**

Create a pilot program to provide an alternate method of complying with the effective recycling program requirements related to the 1995 landfill and incineration bans. Under the program, DNR would select up to 10 responsible units to participate in 2003-2004. DNR may waive the mandated requirements for each of the 10 pilot communities and each pilot community may be unique.

The participating responsible units could select materials to recycle from a list established in DNR rule, and would seek to meet recycling percentage rate goals specified in administrative rule. DNR would be required to submit a report containing specified information to the Legislature by December 1, 2003. The pilot program would end December 31, 2004.

Agency affected: DNR

Fiscal Impact: \$0

Location/Status: Adopt JFC Motion 1283 (Duff, Ward)

#### **G. Grant State Recycling Dollars Based on Performance**

This motion will:

- Provide incentives to responsible units that meet per capita recycling standards
- Remove any incentive responsible units may have to shift costs such as equipment or administrative expenses from general solid waste services to the recycling grant program, by moving from a cost-based model to one based on a standard per capita amount adjusted for whether or not curbside service is mandated by law for the community
- Provide additional, meaningful incentives for responsible units to join together to provide services, market recyclables, and reduce administrative costs.

Agency affected: DNR

Fiscal Impact: \$0

Location/Status: Adopt FM Motion 1289 (Duff, Ward)

#### **H. Modify Solid Waste Material to be Recycled**

This motion would create an alternate method of complying with the effective recycling program requirements related to the 1995 landfill and incineration bans. DNR would be directed to promulgate administrative rules to provide that responsible units that meet
