It is possible that a Wisconsin court would find this legislation to be a "private or local bill" which, under Article IV, section 18, of the Wisconsin constitution, must be enacted as single-subject legislation. If this legislation is a "private or local bill" it cannot validly be enacted as part of the budget bill, which clearly encompasses more than one subject. In light of this, you may wish to consider introduction of this legislation as a separate bill.

1. DHFS – Income Augmentation

This motion provides an exemption to the elimination of the current statutory provision authorizing DHFS to propose uses of income augmentation revenues. The exemption would allow DHFS to submit a proposal to use up to \$2,933,700 of income augmentation revenue that has not been designated to lapse to the General Fund for costs associated with the transition of child welfare cases from Milwaukee County to private vendors.

2. Handgun Purchaser Record Check Fee

The Caucus approved a motion to eliminate the Department of Justice's (DOJ) \$8 handgun purchasers record check record fee. This motion specifies the lapse of \$569,400 (PR) to GPR and \$73,600 PR in each year of the biennia from the projected surplus in the DOJ Crime Laboratory account to offset the expense of the handgun purchasers record check fee.

3. Prairie River Restoration Project

The Environment Working Group, as approved by the Caucus, included a provision to fund the Prairie River Restoration project. This motion specifies that funding for this project would come from the Stewardship Account.
