#### **F. Comprehensive Planning Grants**

Provide \$715,800 GPR to Comprehensive Planning Grants.

In order to fund the motion, convert funding for 5 conservation warden positions from GPR to the conservation fund. (The 1998 budget adjustment act provided DNR with 17 GPR conservation wardens, this item would convert 5 of them to conservation fund SEG from the recreational fees of those who benefit from the activity--primarily hunting and fishing license fees.

Delete \$357,900 GPR annually and provide an equal amount of conservation fund SEG (\$357,900 annually for 5 wardens from the fish and wildlife account.)

Finally, require that planning grant applications be available as open public records immediately following the grant application deadline.

Fiscal Impact: \$715,800 SEG

Agency affected: DNR/DOA
