**OTHER NATURAL RESOURCES**

Under current law, the Minnesota-Wisconsin boundary area commission is a joint commission created by a compact entered into between Minnesota and Wisconsin. The commission addresses issues as to land and water use along the boundary between the two states. This bill repeals the authorization and appropriation provisions for Wisconsin's representation on the commission and withdraws Wisconsin from the compact and the joint commission.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*
