d) Forward Wisconsin (at the request of Sen. Welch)

***Senate Republican Caucus Amendment #240* (NUMBERS ARE DIFFERENT)**

Forward Wisconsin is a non-profit organization created to attract businesses to Wisconsin. It also markets the state as a destination for job seekers and to attract former residents to help address labor shortages. The Governor's budget recommended allocating \$200,000 from tribal gaming revenues to Forward Wisconsin in fiscal year 2002-2003. The Joint Finance Committee eliminated this allocation.

**Motion: Require the Commerce Department to provide \$100,000 in fiscal year 2002-2003 to Forward Wisconsin.
(Fiscal Effect: \$100,000 PR)**

PJK

e) Legislative Departmental Review (at the request of Rep. Seratti)

Not Original Request of Caucus

The Commerce Department operates a variety of grant and loan programs. In many cases, private and non-profit entities are eligible for these funds. In certain instances, the funding is provided as either a biennial or annual continuing appropriations. For example, Forward Wisconsin is provided \$500,000 (GPR) in base funding from the Commerce Department.

**Motion: Require all private and non-profit entities that receive base level funding from the Commerce Department to report and appear before the appropriate legislative standing committee to justify their continuing appropriation.
(No Fiscal Effect)**

PJK

f) Manufacturing Extension Grants (at request of Rep. Fitzgerald)

***Request #270* (FUNDING SOURCE IS DIFFERENT)**

The Wisconsin Manufacturing Extension Partnership (WMEP) provides process improvement and technology services to small and medium-sized manufacturers. WMEP is operated by an organization that includes the Commerce Department, UW System, WTCS, Marquette University, MSOE, labor and business. The Governor recommended \$1 million annually from tribal gaming revenues for Manufacturing Extension Grants. The Joint Finance Committee modified the request to \$1 million over the biennium.

**Motion: Provide the Wisconsin Manufacturing Extension Partnership \$500,000 annually from the tribal gaming revenues the repayments appropriation of the Wisconsin Development Fund. This is in addition to the appropriation from JFC; and furthermore, this requirement sunsets on June 30, 2003.
(Fiscal Effect: \$1,000,000 PR)**

PJK

h) Prevailing Wage Rate - Contractor Records (at the request of Rep. Hundertmark)

Request #174

Under current law, DWD determines the prevailing wage rates for all types of state and local public works projects and investigates alleged violations of the prevailing wage
