2. Business & Economic Development

a) Division of International and Export Services (at the request of Rep. Townsend & Sen. Harsdorf)

***Senate Republican Caucus Amendment #235* (NUMBERS ARE DIFFERENT)**
The Division of International and Export Services assists Wisconsin businesses in increasing their sales in the international marketplace. The Division contracts with individuals or agencies in foreign countries for assistance in the growth of Wisconsin exports and the promotion of Wisconsin as an investment location. The Joint Finance Committee eliminated the Division of International and Export Services. ~~Authorize Commerce to use an additional \$1 million from within their own budget to be allocated for this division if they so wish.~~

Motion: **Restore Governor's recommendation for the Commerce Department's Division of International and Export Services.**
(Fiscal Effect: \$4,003,800 GPR, \$103,400 PR)

b) Technology Zone Designation (at the request of Rep. Suder)

Request #96

The Governor recommended the creation of up to 20 technology zones. A business located in a technology zone and that was certified by Commerce would be eligible to claim a technology zone credit. The Joint Finance Committee modified the Governor's request by allowing the creation of up to 9 technology zones.

Motion: **Require the Commerce Department to designate the City of Marshfield as a technology zone.**
(Indeterminate Fiscal Effect)

c) Green Bay Redevelopment (at the request of Rep. Krawczyk)

***Not Original Request of Caucus* (Pleva has language)**

The Commerce Department's Gaming and Economic Development and Diversification Grant and Loan programs were created to provide financial assistance to businesses located in the areas affected by Indian gaming operations. Funding for the program is provided from tribal gaming revenues. The Joint Finance Committee set aside \$2.1 million in 2001-2002 and \$3.1 million in 2002-2003 of tribal gaming revenue for this program.

Motion: **Require the Commerce Department to provide \$250,000 in each year of the biennium from the Economic Development and Diversification program to the Port Plaza Renovation Project in Green Bay.**
