2 (intro.); and **to create** 165.72 (1) (ad), 165.72 (2) (c), 165.72 (2g) and 165.72 (2m)

4 reporting of information regarding dangerous weapons in public schools.

Analysis by the Legislative Reference Bureau

Under current law, the department of justice (DOJ) is required to maintain a toll-free telephone number during business hours for persons to provide information regarding suspected violations of laws concerning controlled substances. This bill requires DOJ to maintain a single toll-free telephone number both for information regarding suspected controlled substances law violations and for persons to provide information anonymously regarding dangerous weapons in public schools. The bill further requires DOJ to maintain a telephone answering system or service to receive calls made outside business hours. The system or service must relay a message requesting that persons calling regarding dangerous weapons in schools call "911" or the local law enforcement agency. The bill also provides that immediately upon receiving any information regarding dangerous weapons in a public school, or immediately the next business day if the call is received outside business hours, DOJ is required to forward the information to the administration of the public school and the appropriate law enforcement agency for the municipality in which the public school is located.
