Summary This motion would enact several great traditions in public schools.

PG 1. Flag-in-every-classroom (AB 343) Beginning in 2005-06 school year, the U.S. flag must be displayed in every public and private school classroom. Every public and private school must offer the Pledge of Allegiance or the National Anthem in grades one to twelve each school day.

PG 2. School Uniforms (AB 255). Specifically authorize a school board to adopt a policy that requires all pupils enrolled in the school district, or all pupils enrolled in one or more schools in the school district to wear a uniform while in school or under the supervision of a school authority.  
1.) If a school board adopts such a policy, it must allow a parent or guardian to exempt his or her child from the policy; ensure that no pupil is penalized academically or otherwise discriminated against because the pupil's parent or guardian has chosen to exempt the pupil from the policy; and give parents and guardians at least three months' notice before implementing the policy, and assist economically disadvantaged pupils to obtain the uniforms.  
2.) The motion specifies that the requirement to adopt a policy does not apply to any school board that has in effect on the date on which this bill becomes law a school uniform policy and has had such a policy in effect continuously since that date.  
3.) The motion directs DPI to report to the Legislature by July 1, 2005. The report must address all of the following issues: methods of encouraging the involvement of parents and guardians in a school board's decision to require school uniforms; the ability of pupils to purchase the uniforms; and the effect of the imposition of the requirement on crime in school, and on pupil suspensions and expulsions.

MSL 3. Marriage Instruction in Schools (AB 125). Provide that if a school board offers instruction in subjects relating to human sexuality, it must also offer instruction in marriage and parental responsibility.

MSL 4. Special Observance Days in Schools. Require the following school special observance days to be specifically listed (currently only the dates are listed): Lincoln's Day, Washington's Birthday, Columbus Day and Veterans Day. In addition, designate April 19 as a special observance day to be known as "Patriot's Day," commemorating the day in 1775 when the towns of Lexington and Concord were marched upon by British regulars in an effort to confiscate local militias' munitions and thereby marked the opening events of the War of the Revolution.

PG 5. Use of calculators (AB 293). Prohibits a pupil from using a calculator while taking the fourth grade knowledge and concepts examination.

MSL PG 6. Use of Public School Facilities by the Boy and Girl Scouts of America. No public school, in

 2 (2); and **to create** 118.06 (1) (b) and 118.06 (3) of the statutes; **relating to:** the  
 3 display of the U.S. flag and offering of the pledge of allegiance or the national  
 4 anthem in public and private schools.

### *Analysis by the Legislative Reference Bureau*

Currently, every school board and the governing body of every private school must display the U.S. flag in the schoolroom or on a flagstaff located on school grounds. Beginning in the 2005-06 school year, this bill requires, instead, that the flag be displayed in every public and private school classroom.

Currently, every public and private school must offer the pledge of allegiance in grades one to eight at the beginning of school at least one day per week. However, no pupil may be compelled to recite the pledge. This bill requires that the pledge of allegiance or the national anthem be offered in grades one to 12 each school day. No pupil may be compelled to recite the pledge or sing the anthem.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*
