K. Venison Donation Programs

Move to clarify that DNR's venison donation program is a statewide program and not limited to counties with special herd control deer seasons.

Location/status: LFB paper 649

Fiscal impact: DNR would be able to use existing funds statewide instead of only in deer management units with special herd control seasons.

I have assumed for purposes of this draft that the projects for which the grant program is being established concern only dams and have, accordingly, placed the program in chapter 31 which covers dams. Please let me know if the funding is to be provided for other kinds of flood control projects. If so, this draft may have to be redrafted to place the program in a more appropriate chapter of the statutes.
