Statement of Intent Universal Fund Surcharge

Legislator	Grothman	Amendment	112
Legislator 2		Pass or Fail	Pass
Legislator 3		Spending Cut	
Legislator 4		Withdrawn	
Staff contact	Cindy	Package	
Agency	PSC		

Summary Under current law, with certain exceptions, a telecommunications provider is required to contribute to the universal service fund. In addition, a telecommunications provider may not establish a surcharge on customer bills to collect the contributions to the universal service fund. This amendment allows a telecommunications provider to establish a surcharge on customer bills to collect the contributions that the telecommunications provider is required to make to the universal service fund.

This amendment is introduced as required by s. 227.26(2)(f), stats., in support of the action of the joint committee for review of administrative rules in suspending section PSC 160.18(10), Wis. Adm. Code, a rule of the public service commission (PSC), on October 11, 2000. The suspended rule required the PSC to send bills to telecommunications providers that are commercial mobile radio service providers for collecting universal service fund contributions.

This provision will go into effect January 1st, 2002.

Bills shall note when the total amount going to the fund is reduced.

Fiscal Impact No fiscal effect.

Drafting Inst Hard copy of draft.
