<END>

over premium

- DHS

GPR - feasibility

This amendment would permit a homestead credit claimant who sells homestead/business property on a installment basis, to offset the interest expense on the part of the loan used to purchase a new homestead (but not on any part of a loan used to purchase a business or rental portion of property) against the interest income on the sale

PJK

23. Lapse to general fund dollars in WDF (\$6.2 million).

RAC

24. Eliminate public employee length-of-service payments (\$5 million).

RAC

25. Compensation Reserves: enact the equivalent of across-the-board increases of 0% in 2001-02 and 2% in 2002-03, respectively, for public employees (\$18.5 million).

RAC

26. Direct Department of Employment Relations, Retirement Research Committee and the Department of Employee Trust Funds to study and make a recommendation to the Joint Committee on Employment Relations by January 1, 2002, to allow state employees with 25 or more years of service to retain their accumulated sick leave for conversion to health insurance premiums upon retirement.

MDK?

27. Utilize a portion of the energy conservation fund of public benefits fees collected to, instead, pay nursing home utility bills (\$60 million). Delay, until 7/1/03, elimination of this portion of the fee. (820)

Julia Morgan PG

28. Utilize \$3 million in Tribal Gaming dollars to fund previously-adopted ethanol production incentive program. In addition, lapse \$1 million in Tribal Gaming dollars to the Wisconsin Development Fund.

29. Lapse to general fund remaining dollars in WATF (\$1.2 million).

30. Milwaukee School Choice: Create a sum sufficient appropriation for "school choice hold harmless payment" (\$7.0 million). Direct DPI to inform school districts which are "winners" that they are, in fact, winners.

PG

31. Eliminate aid four-year-old kindergarten in the second year. (\$22 million) (At the request of Representative Grothman.)

PG

32. Reverse up to \$115 million of school aid payment delay. In addition, realize savings of \$700,000 in interest which no longer would have to be paid.

RAC

33. Lapse SEG and PR pension savings dollars (\$22.1 million) to general fund.

DAIR

34. Asset test for family Medicaid. The Health Care package removed a JCF provision which eliminated the MA asset test. This violates the terms of Wisconsin's BadgerCare waiver and, as a result, Wisconsin will lose the ability to claim the enhanced federal reimbursement. \$736,000 GPR to reverse back to JCF's position.

35. Various Transportation Fund changes:

TNF

- Lapse pension savings (\$3.6 million SEG);
- Require DOT to submit a plan to JCF to lapse \$600K SEG, each year;
- Limit provision of free identification cards to those who demonstrate a hardship which precludes their paying for an identification card, to be determined by DOT rule; and
- In '04-'05, transfer sales tax on vehicles to Transportation Fund.

PG

36. Direct creation of a Legislative Council study committee on school financing.

MGG

37. Direct 100 percent of hunting and fishing license fees to be utilized for conservation purposes, as defined by JCF.

MDK

38. Cap Universal Service Fund at \$4.0 million, per year, beginning in '03-'04. (821)
