Assembly Democrat Budget Amendment Requests..

Request Number: 140
(not LRB number)

Agency: Commerce

Description: Require Dept of Commerce to make a grant of up to \$100,000 annually for the continued development of a manufacturing and advanced technology training center in Racine.

1. WISCONSIN DEVELOPMENT FUND -- PROGRAM MODIFICATIONS

Chg. to JFC	
GPR	-\$12,000,000
PR	<u>6,500,000</u>
Total	-\$5,500,000

Make the following modifications to the Wisconsin Development Fund (WDF).

a. Delete \$6.0 million GPR annually from the Wisconsin Development Fund (WDF) and provide expenditure authority of \$3.0 million PR annually for the WDF program revenue repayments appropriation. As a result, total annual funding for the WDF would be \$1,503,800 GPR and \$5,500,000 PR. In addition, since estimated repayments revenues are \$3.6 million in 2002-03, these provisions would reduce base level funding for the WDF to \$1,503,800 GPR and \$3,600,000 PR. (The additional program revenue funding in the 2001-03 biennium would be from the appropriation balance.) Under Joint Finance, total annual funding for the WDF would be \$7,503,800 GPR and expenditure authority of \$2,500,000 PR for the WDF program revenue repayments appropriation. Since the WDF repayments appropriation is a program revenue, continuing appropriation, expenditure authority represent the most reliable estimates of the amounts that will be expended. However, expenditures made from such appropriations are generally only limited by the amount of revenues available in the appropriation.

b. Require the Department of Commerce to make a grant of \$100,000 annually from the Wisconsin Development Fund (WDF) to a nonprofit organization that provides assistance to organizations and individuals in urban areas. (The funding would be for Reggie White's Urban Hope Initiative that provides entrepreneurial opportunities for individuals in Wisconsin's central cities. State funding is matched by private funds.) The funds must be used in accordance with a memorandum of understanding (MOU) with the Department of Administration that specifies how the monies must be allocated for assistance. The MOU would be required to ensure that the nonprofit organization that received the grant provided assistance to organizations and individuals in an area that included the City of Beloit.

c. Require Commerce to make a grant of up to \$100,000 annually for the continued development of a manufacturing and advanced technology training center in Racine.

d. Require Commerce to make a grant of \$25,000 by June 30, 2003, to the Clearwater Lake Distilling Company, LLC, to fund business planning expenses related to a project that utilized potatoes and potato waste for vodka distillation. Commerce would be required to enter into an agreement specifying the uses for the grant proceeds and reporting and auditing requirements.
