1. WISACWIS

Senate: Modify provisions in the substitute amendment relating to the implementation of the Wisconsin statewide automated child welfare information system (WISACWIS) as follows: (a) reduce the amount of targeted case management revenue from MA claims for non-IV-E eligible children in counties other than Milwaukee County that would lapse to the general fund by \$1,070,400 in 2001-02 and \$1,140,100 in 2002-03; (b) increase funding by \$990,500 FED in 2001-02 and \$1,140,200 FED in 2002-03 to support the county share of implementation costs; and (c) delete \$496,500 PR in 2001-02 and \$679,900 PR in 2002-03 and the continuing PR appropriation to reflect that counties would not be responsible for supporting one-third of the ongoing costs of the WISACWIS system. These changes would lapse a total of \$1,622,100 in 2001-02 and \$1,839,000 in 2002-03 to the general fund and provide \$1,622,100 FED in 2001-02 and \$1,839,000 FED in 2002-03 to support the county share of WISACWIS implementation costs. Since no additional funding would be provided under this provision to replace the loss of the county contribution (PR funding), DHFS would be required to absorb the ongoing costs of WISACWIS in its base funding.

	Chg. to JFC
GPR-Lapse	-\$2,210,500
FED	\$2,130,700
PR	<u>-1,176,200</u>
Total	\$954,500

Under the substitute amendment, \$2,692,500 in 2001-02 and \$2,979,100 in 2002-03 from MA targeted case management revenue would lapse to the general fund, \$631,600 FED in 2001-02 and \$698,800 FED in 2002-03 would be provided to support the county share of WISACWIS implementation costs and \$496,300 PR in 2001-02 and \$679,900 PR would be provided to support the county share of ongoing costs of WISACWIS. These PR funds would be received by DHFS from counties.

Mod. of lapse amt

Assembly: Modify provisions in the substitute amendment relating to the implementation of the Wisconsin statewide automated child welfare information system (WISACWIS) as follows: (a) reduce funding to support the counties' share of implementation costs (-\$631,600 FED in 2001-02 and -\$698,800 FED in 2002-03) and instead, lapse these amounts of MA targeted case management funds to the general fund; (b) increase funding by \$155,400 PR in 2001-02 and \$512,300 PR in 2002-03 to reflect anticipated county payments to support WISACWIS implementation costs; and (c) delete the provision that would require DHFS to use available targeted case management revenue to support county implementation costs and instead require DHFS to lapse all targeted case management revenue to the general fund. In addition, restore the Governor's provision that

	Chg. to JFC
GPR-Lapse	\$1,330,400
FED	-\$1,330,400
PR	<u>667,700</u>
Total	-\$662,700

would allow counties to use 100% of their income augmentation funds to support implementation costs.

Under these provisions, a total of \$7,002,000 in targeted case management funds would lapse to the general fund and counties would be required to support one-third of the implementation and ongoing costs of WISACWIS.

2. MILWAUKEE CHILD WELFARE OPERATIONS

Senate: No change to Joint Finance.

Modifications
Assembly: Reduce funding that would be provided for Milwaukee child welfare state operations by \$527,400 GPR and \$398,900 FED in 2001-02 and \$859,300 GPR and \$651,000 FED in 2002-03. Under this provision, base GPR funding for supplies and services related to the operations of the state's child welfare services in Milwaukee County would be increased by 100% in each year, rather than by 159% in 2001-02 and 196% in 2002-03, as recommended by the Governor and the Joint Committee on Finance.

	Chg. to JFC
GPR	-\$1,386,700
FED	-1,049,900
Total	-\$2,436,600

The funding increase in the substitute amendment is intended to enable DHFS to maintain its current level of operations, since DHFS used one-time savings to establish spending levels that exceeded costs budgeted in 1999 Wisconsin Act 9. Consequently, this provision would require DHFS to reduce spending from current levels to remain within the amounts budgeted for Milwaukee child welfare operations.

3. MILWAUKEE CHILD WELFARE TRANSITIONAL COSTS

Senate: No change to Joint Finance.

61423
A
Assembly: Delete the provision in the substitute amendment that would have provided \$2,933,700 FED in 2001-02 in income augmentation revenue to fund costs associated with transferring cases of children in out-of-home care in Milwaukee County to private vendors. Instead, require the DOA Secretary to lapse these funds to the general fund no later than June 30, 2003 so that a total of \$6,750,000 in income augmentation revenue would lapse to the general fund in the 2001-03 biennium. In addition, specify that the first \$2,933,700 in income augmentation funds received in addition to the \$6,750,000 in income augmentation revenue would be available for DHFS costs associated with transitioning child welfare cases in Milwaukee County.

	Chg. to JFC
GPR-Lapse	\$2,933,700
FED	-\$2,933,700

The substitute amendment reserved \$2,933,700 FED in income augmentation revenue to fund DHFS costs to transition cases of children in out-of-home care in Milwaukee County from the Milwaukee County Department of Human Services to private vendors in the event the 2001

contract with Milwaukee County was not renewed. In May, 2001, DHFS notified Milwaukee County that it would not renew its 2001 contract with the county to provide services to children in out-of-home care in Milwaukee County. On June 1, 2001, DHFS began contracting with private vendors to serve new children in out-of-home care that would have been served by Milwaukee County. Existing cases will be transitioned from the County to the private vendors beginning in August, 2001.

4. MILWAUKEE CHILD WELFARE AIDS

Senate: Allocate \$58,600 in 2001-02 and \$66,800 in 2002-03 to support child welfare services in Milwaukee County. These federal funds are available under Title IV-B of the Social Security Act.

Assembly: No change to Joint Finance.

5. CREATION OF MILWAUKEE COUNTY CHILD WELFARE DISTRICT.

Senate: Authorize the Milwaukee County board of supervisors to create a special purpose district in Milwaukee County that is termed the "Milwaukee County child welfare district." Specify that this district would be a local unit of government, separate and distinct from, and independent of, the state and Milwaukee County, for the purpose of providing child welfare services within the district's jurisdiction, which shall include Milwaukee County. Require the county board to do the following: (a) adopt an enabling resolution that establishes the Milwaukee County child welfare district and specifies the district's primary purpose, which would be to provide child welfare services under contract with DHFS; and (b) file copies of the enabling resolution with DOA, DHFS and DOR. Authorize the Milwaukee County child welfare district to provide adoption services and to be a public licensing agency with the approval of DHFS.

Board Members. Specify that the Milwaukee County child welfare district board would be the governing board of the district and require the Milwaukee County executive to appoint the child welfare district board members. Specify that the child welfare district board must consist of 15 people who are residents of the district's jurisdiction. Require board members to reflect the ethnic and economic diversity of the child welfare district and specify that at least one-quarter of the board members must be representative of the client groups whom it is the district's primary purpose to serve or the family members, guardian, or other advocates for children and families that are served by the district. Prohibit elected or appointed officials and employees of the county that created the child welfare district from being board members and prohibit members from having a private, financial interest in or any profit directly or indirectly from any contract or other business of the district.

Specify that board members would serve five-year terms and no member could serve more than two consecutive terms. Specify that of the members first appointed, five would be

D-NOTE

Yvonne:

The JCF version of SECTION 9223 (52K) authorized any remaining Targeted MA case management moneys remaining after the lapses required under that subsection to be used for SACWIS. The assembly position, however, deletes that authorization, and your redraft instructions move that authorization to s. 46.46. Accordingly, this redraft does not reference SECTION 9223 (52K) in s. 20.435 (8)(mb) because that ~~s~~ subsection merely lapses certain moneys; it does not authorize their expenditure for anything.
