15. COMMUNITY SUPPORT PROGRAM

Senate: No change to Joint Finance

delete reference to MA program benefits

st share

Assembly: Delete the provision in the substitute amendment that would provide \$1,000,000 annually to increase funding for MA certified community support programs. These county-administered programs provide community-based, individualized services, including coordinated care, treatment, rehabilitation and support services, to adults with severe and persistent mental illness.

	Chg. to JFC
GPR	-\$2,000,000

16. ALZHEIMER'S FAMILY AND CAREGIVER SUPPORT PROGRAM

Senate: Delete current provisions that allow DHFS to transfer funds from the Alzheimer's family and caregiver support program (AFCSP) in counties with a Family Care care management organization to Family Care. In addition, specify that counties may provide AFCSP services to individuals under the AFCSP eligibility requirements, regardless of whether or not the individual is eligible for Family Care.

Not elig. for Fam care but you'd be elig. for Alg. w/d. have elig.

Assembly: No change to Joint Finance.

17. SUBSTANCE ABUSE SERVICES GRANTS

Senate: No change to Joint Finance.

Assembly: Reduce funding that would be provided for substance abuse services grants by \$1,000,000 annually so that base funding (\$5,000,000 per year) would continue to be available for grants.

	Chg. to JFC
GPR	-\$2,000,000

In addition, delete the provision in the substitute amendment that would specify that no less than \$2,000,000 of the total annual grant funding would be awarded to Milwaukee County or private, nonprofit organizations in Milwaukee County and that grant funds would be distributed based on the distribution of families with income at or below 200% of the federal poverty level.

In addition to the provisions identified above, the substitute amendment would authorize DHFS to distribute substance abuse services grants to all counties, rather than Milwaukee County, exclusively, effective January 1, 2002. Under current law, DHFS distributes a \$5,000,000 GPR annual grant to Milwaukee County that the county uses to provide substance abuse services to TANF-eligible individuals with family incomes equal to or less than 200% of the federal poverty level. Funding for these grants is counted toward the state's TANF maintenance of effort requirement.

From Yvonne Arsenault

In a w/ Family Care, if you're eligible for family care, you get Alzheimer's through Family Care; if you're ineligible for Fam. Care, you get Alzheimer's through Alzheimer's fam + caregiver support program

In order to get funding from Alz FCSP, must be ineligible for family care in co that has fam care

And

DHFS can't transfer any funding to Fam Care for persons on any FCSP who are elig. for Fam Care

DHFS, in general author. to transfer, must retain 40% of each co's alloc under AFCSP or funding neces. to maintain curr. receipts of AFCSP who are elig. for Fam Care, as of eff date of act, whichever is greater
