Sent: Wednesday, July 11, 2001 10:40 AM
To: Gibson-Glass, Mary
Subject: #21_fish and wildlife management

\$ 307,800
\$ 235,000

~~\$431,700~~ ~~\$89,400~~ ~~\$459,000~~
Conference Committee: Provide ~~\$89,400~~ in 2001-02 and ~~\$117,200~~ in 2002-03 and 3.0 positions from the fish and wildlife account for fisheries management staffing. Funding would provide 2.0 fisheries technicians and 1.0 fisheries biologist. In addition, provide ~~\$82,400~~ in 2001-02 and ~~\$98,700~~ in 2002-03 and 3.0 positions from the fish and wildlife account for wildlife management staffing. Funding would provide 3.0 wildlife technicians.

Further, provide \$375,000 SEG annually split-funded from the fish and wildlife, boat, snowmobile, and ATV accounts to increase the Bureau of Customer Assistance and External Relations' limited-term employee (LTE) salary base. This increase would reflect LTE costs incurred, and a 15% increase in the average hourly rate received by the Bureau's LTEs in efforts to improve recruitment and retention.

Finally, authorize license agents to retain 50¢ when a free special zone T antlerless deer hunting permit is issued. The Department indicates that it will provide one free zone T permit for each deer license sold during the fall 2001 deer hunting season. The license agent would retain \$1 for issuing a gun deer, archery, sports or conservation patron license (including a 50¢ issuing fee under current law and an additional 50¢ under this provision). This issuance fee would be deducted from the amount of license revenues retained by the DNR (the purchaser would not pay the fee). Based on the number of deer hunting licenses purchased for the fall 2000 deer season, revenues to the fish and wildlife account are expected to decrease by \$325,000 in 2001 02 and by \$350,000 in 2002-03.

(ITALICIZED LANGUAGE IS IDENTICAL TO WHAT WAS PREVIOUSLY DRAFTED AS PART OF THE ORIGINAL SENATE PROVISION. THE ONLY CHANGE IS THE NUMBER OF STAFF AND HOW MUCH THEY COST IN THE FIRST PARAGRAPH)

Fisheries management staff is provided out of 370 (4)(mu)
Wildlife management staff is provided out of 370 (1)(mu) subprogram 11

Misc

19. CONSERVATION WARDEN FUNDING *E-mail*

Senate: No change to Joint Finance.

Assembly: Delete \$357,900 GPR annually and provide an equivalent amount of fish and wildlife account SEG funding to transfer five GPR-supported conservation warden positions to fish and wildlife SEG. Further, delete \$205,900 GPR annually and provide an equivalent amount of all-terrain vehicle account SEG funding to transfer four GPR-supported conservation warden positions to all-terrain vehicle SEG. In addition, require DNR to submit a report to the Joint Legislative Audit Committee no later than August 15th of each year (beginning in 2002) detailing how the increase in ATV-related warden enforcement activity has benefited DNR's efforts to enforce laws related to ATV activity and to educate the public on these laws.

	Chg. to JFC Funding Positions	
GPR	-\$1,127,600	-9.00
SEG	<u>1,127,600</u>	<u>9.00</u>
TOTAL	\$0	0.00

20. CHIEF WARDEN AUTHORITY AND SUPERVISORS

Misc

Senate: No change to Joint Finance.

Assembly: Require DNR to designate a conservation warden as the chief warden. This chief warden would have the responsibility of directing, supervising, and controlling other DNR conservation wardens. Further, specify that any conservation warden that is designated as a supervisor would be required to spend half of his or her time performing field enforcement activities and half performing supervisory activities.

21. FISH AND WILDLIFE MANAGEMENT *E-mail*

f+game

Senate: Provide \$663,100 in 2001-02 and \$684,300 in 2002-03 in 2002-03 and 6.0 positions from the fish and wildlife account for fisheries management staffing. Funding would provide 3.0 fisheries biologists and 3.0 fisheries technicians. In addition, provide \$368,900 in 2001-02 and \$338,400 in 2002-03 and 6.0 positions from the fish and wildlife account for wildlife management staffing. Funding would provide 1.0 wildlife biologist and 5.0 wildlife technicians.

	Chg. to JFC Funding Positions	
SEG-REV	-\$675,000	
SEG	\$2,804,700	12.00

In as is Further, provide \$375,000 SEG annually split-funded from the fish and wildlife, boat, snowmobile, and ATV accounts to increase the Bureau of Customer Assistance and External Relations' limited-term employee (LTE) salary base. This increase would reflect LTE costs incurred, and a 15% increase in the average hourly rate received by the Bureau's LTEs in efforts to improve recruitment and retention.

In ac 15

Finally, authorize license agents to retain 50¢ when a free special zone T antlerless deer hunting permit is issued. The Department indicates that it will provide one free zone T permit for each deer license sold during the fall 2001 deer hunting season. The license agent would retain \$1 for issuing a gun deer, archery, sports or conservation patron license (including a 50¢ issuing fee under current law and an additional 50¢ under this provision). This issuance fee would be deducted from the amount of license revenues retained by the DNR (the purchaser would not pay the fee). Based on the number of deer hunting licenses purchased for the fall 2000 deer season, revenues to the fish and wildlife account are expected to decrease by \$325,000 in 2001-02 and by \$350,000 in 2002-03.

Assembly: No change to Joint Finance.

~~22. LAKE SUPERIOR FISHERIES BIOLOGIST~~

~~Senate: Provide \$30,000 in 2001-02 and \$40,000 in 2002-03 and 1.0 position from the fish and wildlife account of the conservation fund for a fisheries biologist. The position would be responsible for conducting water quality and fish management activities on Lake Superior.~~

Chg. to JFC Funding Positions		
SEG	\$70,000	1.00

~~Assembly: No change to Joint Finance~~

~~23. HUNTER SAFETY EDUCATION COURSES~~

~~Senate: No change to Joint Finance~~

~~Assembly: Eliminate the student fee requirement for bow and gun hunter safety education courses. Instead, reimburse course instructors for costs associated with teaching the class, up to \$5 per student, at an estimated cost of \$171,200 annually. Currently, instructors are required to collect the course fee from students, retain up to one-half to cover the cost of administering the course, and remit the remaining monies to DNR. A portion of the funds received by DNR from hunter safety courses (\$1.50 per student) are deposited to the fish and wildlife account, with one-half used to support the administration and development of the hunter safety education program. Eliminating the fee for these courses would generate a loss of revenue to the fish and wildlife account of approximately \$51,300 annually. This amount would be transferred from the safety education appropriation to the general enforcement operations appropriation of the fish and wildlife account in order to continue to provide hunter safety education support.~~
