FE Sent For:

<END>

Assembly: Establish an antlerless-only deer gun hunting season beginning on the Thursday falling on or closest to October 22, and continuing for a total of four consecutive days. In addition, prohibit DNR from establishing an antlerless-only deer gun hunting season beginning or ending during the month of December.

28. VENISON PROCESSING DONATION PROGRAM

fish + game

Senate: In addition to the Joint Finance provision for voluntary contributions to be used to fund the venison processing and donation program, restore the Governor's recommendation to allow payments for the venison donation program to continue to come from the wildlife damage program, if available after making payments for wildlife damage claims and abatement, and to be prorated if wildlife damage funds are insufficient.

Assembly: Delete the requirement that the venison donated for processing must come from deer that were killed in a county participating in a deer damage management season. This would have the effect of making the venison processing donation program a statewide program, and would allow any deer killed during a deer gun season (herd control or regular nine-day gun season) eligible to be donated. *Effective date of Jan 1, 2002*

~~29. BAITING~~
~~USE OF BAIT FOR DEER AND BEAR HUNTING, HUNTING WITH DOGS~~

fish + game

Senate: Allow the use of bait while hunting deer or bear if (a) the location of the bait is within sight of the hunter, (b) is within the effective range of the weapon used by the hunter, and (c) the hunter had knowledge of both of these. The use of bait for hunting would be permitted subject to DNR administrative rule. Currently, DNR restricts the use of bait to ten gallons or less.

Assembly: No change to Joint Finance.

30. BEAR HUNTING AND TRAINING WITH DOGS

Senate: Modify the Joint Finance language limiting the training of dogs to track or trail bear during the period beginning July 1 and ending August 31 to specify that dogs may be trained to hunt bear only in the northern portion of the state. The northern portion of the state is defined as the area that lies northward of a line beginning at Lake Michigan that follows the Oconto River upstream to where it reaches USH 41, that then runs northward along USH 41 until it intersects STH 22, that then runs westward on STH 22 to the City of Shawano, that then runs westward from the City of Shawano on STH 29 until it reaches STH 13, that then runs northward along STH 13 until it reaches STH 64, that then runs westward along STH 64 until it reaches USH 53, that then runs northwestward along USH 53 until it reaches USH 8, and that then runs westward along USH 8 until it reaches the Mississippi River.
