8 the act of congress approved June 7, 1924, and the board of commissioners of public
9 lands are authorized to sell and convey for a fair consideration to the United States
10 any state lands included within such areas; provided, that this state shall retain

1 concurrent jurisdiction with the United States in and over such areas so far that civil
2 process, in all cases, and such criminal process as may issue under the authority of

4 department, or the University of Wisconsin System, or to any other state agency or
5 activity by such amount as it deems feasible, not exceeding 25% of the

12 expended under such appropriations in the prior fiscal year which ended June 30.
13 All functions of said state agencies shall be continued in an efficient manner, but
14 because of the uncertainties of the existing situation no public funds should be
15 expended or obligations incurred unless there shall be adequate revenues to meet the
16 expenditures therefor. For such reason the committee may make reductions of such
17 appropriations as in its judgment will secure sound financial operations of the
