

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-1187/1dn  
MGG:wlj:km

December 13, 2000

1. 1999 Assembly Bill 772 has been totally redrafted for this session to take into account how DNR currently issues disabled person fishing licenses, to deal with the fee issue, and to make nonsubstantive corrections. Therefore, please review the analysis and the body of the bill carefully.
2. Note that this draft requires “nongovernmental issuing agents” who issue other types of fish and game licenses to issue these temporary licenses. In other words, an agent cannot opt out of issuing temporary licenses. Please let me know if that is not your intent.
