

Fiscal Estimate Narratives

DVA 8/14/01

LRB Number 01-2907/1	Introduction Number AB-468	Estimate Type Original
Subject Add Paralyzed Veterans of America to the council on veterans programs		

Assumptions Used in Arriving at Fiscal Estimate

This bill would add one representative from the Wisconsin Chapter of the Paralyzed Veterans of America to the Council on Veterans Programs (CVP). CVP advises the Board of Veterans Affairs and the Department of Veterans Affairs (DVA) on solutions and policy alternatives related to problems affecting Wisconsin's veterans. CVP meets in conjunction with the Board on Veterans Affairs. The Board typically meets five times per year. Representatives on the CVP are reimbursed for their travel expenses related to attending Board meetings. The average annual amount of reimbursements paid for each individual attending Board meetings is \$600. Therefore, the estimated annual fiscal effect of adding one additional representative to the CVP is insignificant and can be absorbed within DVA's current budget.
