

**Fiscal Estimate Narratives**

**WTCS 07/24/2001**

LRB Number <b>01-3470/1</b>	Introduction Number <b>AB-461</b>	Estimate Type <b>Original</b>
<b>Subject</b> Annual salaries for certain senior executives of the Wisconsin Technical College System		

**Assumptions Used in Arriving at Fiscal Estimate**

The salary levels of the current Director and Executive Assistant are above the minimum levels of the salary schedule pay ranges to which they would be assigned under the proposed legislation. Therefore, no salary increases would result for the individuals currently occupying these positions. While the bill would provide the WTCS Board with the flexibility to set the compensation rates for any newly hired Director or Executive Assistant at levels potentially greater than the rates for the current incumbents, it is not possible to determine the fiscal impact of those future decisions.

**Long-Range Fiscal Implications**

As stated above, the fiscal impact related to future WTCS Board decisions on compensation levels cannot be determined.
