If a state agency authorizes a final payment before an affidavit is filed in proper form and order or if the department determines, based on the greater weight of the credible evidence, that any person performing the work specified in sub. (2m) has been or may have been paid less than the prevailing wage rate or less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor and requests that the state agency withhold all or part of the final payment, but the state agency fails to do so, the state agency is liable for all back wages payable up to the amount of the final payment.
