1 AN ACT *to create* 99.02 (2) (h) of the statutes; **relating to:** the requirement to
2 obtain a public warehouse keeper's license.

Analysis by the Legislative Reference Bureau

who is

Current law generally requires a person ~~operating~~ a public warehouse to obtain a license from the department of agriculture, trade and consumer protection. A public warehouse is a warehouse that is operated for the storage of the property of others for compensation. Current law exempts several categories of entities from the requirement to obtain a public warehouse keeper's license, including municipalities and cooperative associations storing farm products and merchandise for members.

*

This bill exempts an agricultural society, association, or board that conducts a county or district fair, and receives state aid for the fair, from the requirement to obtain a public warehouse keeper's license.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 99.02 (2) (h) of the statutes is created to read:
