

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1048/1dn
PC:cjs:kjf

January 9, 2002

This is a technical correction. In creating AB-711 from the information we were given, we inadvertently assigned one U.S. Census block of the Town of Worden in Clark County to the seventh congressional district rather than to the third. Upon review it seems clear to us that the original intent was to place the block in the third district. This amendment accomplishes that. The block contains no population.
