**Subject:** RE: Subs. amendment s0191/2

Hi Mark,  
Hold that thought! Leg. Council has a 2 clarifications:

On page 1, line 11, after the word "profession," insert "*other than professional geology, hydrology, or soil science,*"

On page 2, line 2, after the word "management," insert "*where the practice of the profession by the person involves knowledge within the range of professional geology, hydrology, or soil science.*"

Please call mark Patronsky or John Stolzenberg if there are any questions. I just see this as making the bill a lot more explicit in what it allows.

Sorry for the inconvenience.
