

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa1078/1dn
MGG:hmh:rs

January 17, 2002

Attention: Patrick Henderson

Senate Bill 307, and this amendment, only authorizes persons to hunt farm-raised deer if they are registered owners with DATCP or if they have purchased the opportunity to hunt. It does not authorize persons who are "invited" by the registered owner to hunt. I have brought this to Sarah Shapiro-Hurley's attention. Please discuss this with her and contact me if you want to address this issue in this amendment.
