

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1466/1dn
PJK:cjs:cmh

March 7, 2002

This amendment removes all cross-references to specific statutes of limitation to clarify that the action must be brought against the fund within the same period of time that applies to the health care provider, regardless of the statute under which the period of time is determined, including any tolling of the statute of limitations that is required or allowed outside of the statute.
