## 2001 ASSEMBLY BILL 588

October 29, 2001 - Introduced by Representatives GARD, D. MEYER, FRISKE, SERATTI, SUDER, KAUFERT, BIES, STARZYK and PETTIS, cosponsored by Senators DECKER, WELCH and BRESKE. Referred to Joint committee on Finance.

1     **AN ACT relating to:** funding for the enforcement of laws regulating snowmobiles  
2             and the operation of snowmobiles and making an appropriation.

---

### *Analysis by the Legislative Reference Bureau*

Under current law, the department of natural resources receives funding for conservation warden positions relating to enforcing the laws that regulate snowmobiles and the operation of snowmobiles from Indian gaming receipts that are deposited in the general fund and appropriated to the department of administration and from the snowmobile account of the conservation fund. The snowmobile account mainly consists of snowmobile fuel tax revenues and revenues from snowmobile registration fees. Almost all of these revenues are used for snowmobile trail aids and snowmobile law enforcement and safety training. This bill transfers the funding source for two conservation wardens from the snowmobile account in the conservation fund to the revenues from Indian gaming.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
