April 16, 2001

Representative Urban:

This substitute amendment is identical to AB-206, except that it incorporates LRBa0396/1, LRBa0399/1, and LRBa0416/1, as well as the other changes requested in Dismas Becker's e-mail to me dated April 11, 2001.

Regarding Dismas Becker's e-mail dated April 12, 2001, please review proposed s. 457.02 (6) (a), which does not use the language requested in the e-mail. I'm not sure that it is accurate to refer to a license, etc., that is "enforced by administrative rule." Doesn't a professional organization, not the state, actually enforce such a license? Instead of the requested language, I incorporated language that is already used under current law in s. 457.02 (5), stats. If that language works under current law, shouldn't it work for your purposes in s. 457.02 (6) (a)?
