LRB Number 01-3441/3	Introduction Number SB-378	Estimate Type Original
Subject Prohibit the theft of farm raised fish		

Assumptions Used in Arriving at Fiscal Estimate

This bill prohibits the theft of farm-raised fish. First offense violations would be Class A misdemeanors and second and subsequent violations would be Class D felonies.

It is impossible to predict the number of violations that would occur if this bill is enacted but it is expected that any additional workload would be absorbed by existing court staff. Additional court time requires judge, court reporter, court staff and possibly juror time. These costs are borne both by the state and the county. It is also impossible to predict the revenue that would result from the fines collected for convictions in these cases.
