Gen. Conf.

1 AN ACT to amend 343.07 (1) and 343.50 (4); and to create 343.14 (2) (em) and  
2 343.234 of the statutes; relating to: the disclosure of information obtained by  
3 the department of transportation from applications for drivers' licenses,  
4 permits, or identification cards to the selective service system for the purposes  
5 of registration with the selective service system.

Analysis by the Legislative Reference Bureau (25)

Under federal law, most males between the ages of 18 and 26 are required to register with the selective service system for possible conscription into service in the U.S. military. This bill provides that the department of transportation (DOT) must notify a male between the ages of 18 and 26 who applies for any driver's license, permit, or identification card that his application will be forwarded to the selective service system for the purpose of registration with the selective service system. The bill requires a male applicant between the ages of 18 and 26 to state whether he is required to register with the selective service system and, if so, whether he has registered. The bill also requires DOT to forward the application of any male between the ages of 18 and 26 to the selective service system for the purpose of selective service registration.

1 AN ACT *to amend* 85.103 (6), 343.07 (1) (intro.), 343.19 (1) and 343.50 (4); and  
2 *to create* 343.14 (2) (em) and 343.234 of the statutes; **relating to:** the  
3 disclosure of information obtained by the department of transportation from  
4 applications for drivers' licenses, permits, or identification cards to the selective

---

### *Analysis by the Legislative Reference Bureau*

Under federal law, most males who are at least 18 years of age but less than 26 years of age are required to register with the selective service system for possible conscription into service in the U.S. military. This bill provides that the department of transportation (DOT) must notify a male who is at least 18 years of age but less than 26 years of age and who applies for any driver's license, permit, or identification card that his application will be forwarded to the selective service system for the purpose of registration with the selective service system. The bill also requires DOT to forward the application of any male who is at least 18 years of age but less than 26 years of age to the selective service system for the purpose of selective service registration.

**BILL**

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
