

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

July 6, 2001

Rep. Wood:

If a person is exempt from the prohibition under sub. (5) because a law enforcement agency has directed the person to wear body armor, the agency is not required to keep the same type of records that must be kept if the person receives an exemption under either sub. (4) or (5m). Is that your intent?
