

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2280/1dn
RPN&MGD:kmg:pg

May 31, 2001

I changed the board to 5 members as requested. The draft requires the governor, not the secretary of the corrections as requested, to appoint the compact administrator, because the compact only allows the governor or the state board to make that appointment, so I used the governor. OK?
