

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

Bruce:

Please note that I have made changes to your suggested amendment to s. 28.11 (11) (a) 2., as renumbered, to reflect the fact that DNR is required under current law to "investigate" an application to withdraw lands entered under s. 28.11. Your draft language eliminated the investigation requirement which, I believe, results in a substantive rather than a technical change to that provision. Please note that I have also changed the cross-reference in proposed s. 28.11 (11) (a) 3. so that this subdivision refers to subd. 2., rather than subd. 1.
