Assumptions Used in Arriving at Fiscal Estimate:

Assembly Bill 192 creates 19.68, 66.0118 and 895.66 of the statutes.

AB 192 requires each political subdivision (a city, village, town or county) and state governmental entity to investigate the feasibility of developing and using a unique personal identifier for any individual who receives or may receive any type of service from the political subdivision or state governmental entity. It also requires them to consider substituting the use of a unique personal identifier for the use of a social security number. **This bill only requires the investigation and consideration of using unique personal identifiers instead of social security numbers, it does not mandate it.**

The fiscal effect of Assembly Bill 192 is not determinable.
