Subject			
State-local partnership			

Assumptions Used in Arriving at Fiscal Estimate

AB 228 directs DOA to appoint an unclassified position as a state-local government coordinator to carry out the requirements in the bill. The bill does not increase DOA's unclassified position authority and although the department will absorb the salary and fringe costs, there may be other costs which are unforseeable at this time.

This language is also in SB 55.

Long-Range Fiscal Implications
