

Fiscal Estimate Narratives

SPD 4/23/01

LRB Number 01-2525/2	Introduction Number AB-310	Estimate Type Original
Subject Circuit court judges		

Assumptions Used in Arriving at Fiscal Estimate

Although the additional courts do not by themselves create additional cases for the SPD, the possibility exists that with more judicial resources available, the practices of charging and/or scheduling could change in ways that would increase costs to either the SPD or counties (through court appointments of attorneys). We cannot identify the amount, if any, of increased costs.
