Executive salary group assignments					

Assumptions Used in Arriving at Fiscal Estimate

1) AB-460 modifies the executive salary group (ESG) assignment of four agency head positions (corrections, workforce development, employee trust funds, judicial commission). The fiscal impact of these modifications are indeterminate because, under the provisions of the nonrepresented compensation plan, each appointing authority has the discretion to provide an economic recognition for meritorious performance. The range of these discretionary adjustments for fiscal 2002 are as follows:

corrections \$0 to \$5,061

workforce development \$0 to \$5,061

employee trust funds \$0 to \$4,686

judicial commission \$0 to \$4,017

2) AB-460 removes the state law library librarian from ESG assignment. There is no fiscal impact of this change.

3) AB-460 includes a nonstatutory provision giving the appointing authority of the director of judicial commission the authority to provide an interim salary adjustment before the 90th day after the effective date of this subsection. Any increase for the incumbent under this subsection must be approved by the secretary of employment relations. A fiscal impact is indeterminate, however, an interim salary adjustment of approximately \$27,000 would bring the annual salary of the current incumbent to be comparable with similar positions at the state ethics board and state elections board.
