Municipal courts holding refusal hearings					

Assumptions Used in Arriving at Fiscal Estimate

This bill changes current law which requires that refusal hearings be held in circuit court. In those situations where a municipal ordinance violation occurs, it would allow the municipal court to hold the refusal hearing.

CONCLUSION:

This will have no fiscal impact on the Department of Transportation.

BASIS FOR CONCLUSION:

1. No impact on DMV workload: The Division of Motor Vehicles will enter and respond to all withdrawal actions regardless of origin.
2. No impact on DSP workload: The State Patrol do not issue citations for municipal ordinance violations. Thus, they will continue to appear in circuit court for refusal hearings.
3. Impact will be on circuit and municipal courts.

Long-Range Fiscal Implications

None.
