## Fiscal Estimate Narratives

<b>Subject</b> In-home day care providers; confidentiality of street address		

### Assumptions Used in Arriving at Fiscal Estimate

DWD does not publish directories of child care providers. Local counties normally do not release addresses of provider's requesting not to have that information available. It should be a no cost option to obtain permission prior to releasing addresses of certified child care providers.

DWD is developing an automated system for child care certification data. The plans are to include provider permission prior to publishing addresses.

### Long-Range Fiscal Implications

No major impact.
