Providing health insurance coverage of mental disorders that is the same as coverage of physical conditions					

Assumptions Used in Arriving at Fiscal Estimate

This bill mandates health insurance providers to cover mental and nervous disorders, alcoholism and other drug abuse conditions the same as the coverage for the treatment of physical conditions the same as the coverage for the treatment of physical conditions.

OCI regularly reviews Policy forms to ensure they comply with all state laws. OCI does not directly administer insurance plans to state employees and anticipates no direct impact to the agency. The Department of Employee Trust Funds will be providing an estimate of state and local government costs.

Consistent with s.601.423, Wis Stat., this office will prepare a social and financial impact statement.
