Subject Individual's ownership of personal identifiers		

Assumptions Used in Arriving at Fiscal Estimate

2001 Senate Bill 181 makes it illegal to sell, rent or trade a personal identifier of an individual under certain conditions. The Department of Workforce Development does not sell, rent, or trade any lists maintained by this agency that contain personal identifiers of individuals. In addition, any lists maintained by a local government for the purpose of administering a state program or service under the jurisdiction of the Department of Workforce Development are not sold, rented or traded; therefore, this bill would have no local fiscal effect pertaining to the programs and services in this agency.

Long-Range Fiscal Implications
