Assumptions Used in Arriving at Fiscal Estimate

This bill requires a school board also to give such preference to pupils whose parents or guardians are employees of the nonresident school district and allows a school board to include these pupils in its counts of occupied spaces. In addition, the bill allows a school board to create a waiting list for open enrollment. This bill pertains to school districts' selection process of pupils attending nonresident school districts under the open enrollment program and has no direct fiscal effect on districts or the state.
