

## Fiscal Estimate Narratives

SPD 12/11/01

LRB Number 01-4199/1.	Introduction Number SB-338	Estimate Type Original
<b>Subject</b> Intoxicated operation of motor vehicle		

### Assumptions Used in Arriving at Fiscal Estimate

Although many of the changes are technical, this bill would increase the scope of OWI-related offenses (for example, including private roads and frozen waters within the scope of OWI violations). Thus, the bill would increase SPD costs to the extent that persons accused under the broader offense definitions qualify under the SPD financial criteria.

Counties may incur increased costs for incarceration, pretrial and/or after sentencing.
