REFERRAL OF AGENCY REPORTS

State of Wisconsin
Department of Workforce Development
Madison

February 27, 2001

To the Honorable, the Assembly:

Pursuant to Section 109.12(2) and (3) of Wisconsin Statutes I hereby submit the department's calendar year 2000 annual report on the administration and enforcement of Sections 109.07 and 109.075 of Wisconsin Statutes. The report contains three sections. The first section lists all businesses in 2000 that notified the department of planned business closings/mass layoffs, the location of the business, type of industry involved, number of persons affected and date(s) of scheduled dislocations. The second section lists complaints pending before the department's Equal Rights Division, at the beginning of 2000. It includes the complaints received during calendar year 2000, alleging violations of Wisconsin's business closing/mass layoff notification law. This section lists the name of the business, location, date the department received the complaint, date the investigation was completed (if any), whether a violation was documented and the current status and/or outcome of the case.

The third section lists similar information for any complaints received by the department in 2000 and 2001, alleging violations that an employer failed to provide advance notification to affected employees of a cessation of health insurance benefit plans. No complaints were received in 2000 and so far one complaint has been received in 2001. The

department is actively investigating this complaint at the time of this report.

On January 1, 2000, 12 business closing cases from prior years remained pending. Two of these cases remained in investigation. The Department completed both of the investigations by March 6, 2000. Both of those determinations were appealed. By May 16, 2000, the department processed both of those appeals as well as two more appeals that were still pending on January 1, 2000. Currently the Department of Justice has eight cases pending litigation to resolve those matters. The remaining four cases were closed with no violations having been found.

In 2000 the Equal Rights Division received 26 complaints alleging violations of the plant closing and mass layoff notification law. In calendar year 1999, the department received 10 complaints alleging violations of the Plant Closing law. The Equal Rights Division found violations in two of the 21 cases on which it completed investigation in 2000. Each of the three violations were referred to the Department of Justice for litigation in court. The department, in cooperation with the Department of Justice settled a fourth case against U.S. Leather, (listed as the Pfister&Vogel/Gebhardt cases), resulting in \$763,541.40 in increased wages paid to 510 workers. Five cases that were received in 2000 remain under investigation at this time.

If you have questions regarding this report, please contact the Administrator of the Equal Rights Division, Sheehan Donoghue at 266-0946, or me.

Sincerely,
JENNIFER REINERT
Secretary
