REFERRAL OF AGENCY REPORTS

State of Wisconsin
Department of Health and Family Services
Madison

May 4, 2001

To the Honorable, the Assembly:

The attached report is submitted to the Legislature pursuant to s. 46.27 (11g) and s. 46.277 (5m) of state statutes. State statutes require the Department of Health and Family Services to submit an annual report for the Community Options Program (COP) and Home and Community Based Waivers (COP-W/CIP II). The attached report describes the persons served, program expenditures, and services delivered through the COP, COP-Waiver and CIP II programs in calendar year 1999.

The Community Options Program provides services to all target group populations. COP is closely coordinated with all of Wisconsin's Medicaid Home and Community Based Waivers. With the Department's oversight county agencies are able to ensure that a comprehensive and individualized care plan is provided, while maintaining program flexibility and integrity and maximizing federal matching funds.

Sincerely,
PHYLLIS DUBE
Secretary
