**AGENCY REPORTS**

State of Wisconsin  
Legislative Audit Bureau  
Madison

November 6, 2001

To the Honorable, the Legislature:

We have completed an evaluation of the State of Wisconsin Investment Board, as directed by s. 25.17(51m), Wis. Stats. As of December 31, 2000, the Investment Board managed a total of \$67.0 billion in investments that included assets of the Wisconsin Retirement System, the State Investment Fund, and five smaller insurance and trust funds.

The Investment Board has recently been successful in exceeding its performance benchmarks for the Fixed Retirement Trust Fund, which represented 81.8 percent of the assets under its management in 2000. However, the Fixed Retirement Trust Fund's long-term returns continue to lag

those of other large public pension funds. As of June 30, 2000, its five-year returns ranked last among ten funds we surveyed.

We focused our analysis on the Investment Board's Opportunity Portfolio for the Fixed Retirement Trust Fund, which is a higher-risk portfolio that has focused on private equity investments in emerging markets in Asia and Eastern Europe. The portfolio, which has assets of approximately \$1 billion, has failed to meet its performance benchmarks and is not meeting expectations of earning higher returns than the Investment Board achieves through its more traditional investments. In light of the lagging returns and controversy surrounding certain investments in South Korea, support for the portfolio among members of the Board of Trustees is divided. Another area of concern is the Board of Trustees' involvement in the Opportunity Portfolio. Of particular concern is the fact that some trustees own public stock in entities associated with the portfolio. These interests have previously not been publicly disclosed. We suggest that to avoid the appearance of conflicts of interest, the Investment Board revisit its policies to ensure trustees comply with provisions of the State Ethics Code.

We appreciate the courtesy and cooperation extended to us by the Investment Board. A response from the Board's Executive Director is Appendix 5.

Respectfully submitted,  
*JANICE MUELLER*  
State Auditor
