2001 Senate Bill 330 creates a Wisconsin Outdoor Wildlife Heritage Trust Fund, as a separate, nonlapsible trust fund, to consist of all gifts, grants, bequests or other contributions made to it. The bill specifies that the fund may be used for activities and programs under ch. 29, Stats., Wild Animals and Plants.

Senate Amendment 1 specifies that the new fund may be used only for the improvement and maintenance of fish and wildlife habitat, and that it may not be used for land acquisition.

On January 31, 2002, the Senate Committee on Environmental Resources recommended that Senate Amendment 1 be adopted, by a vote of Ayes, 5; Noes, 0; and recommended passage of the bill, as amended, by the same vote.

On February 5, 2002, the Senate adopted Senate Amendment 1 by a voice vote and passed Senate Bill 330 by a vote of Ayes, 33; Noes, 0.

The Assembly concurred in Senate Bill 330 on February 26, 2002, by a vote of Ayes, 99; Noes, 0.
